6. Mr. Reed has again seen me and represented that he incurred the expenditure relying on his getting 1500 Rs more at least & that the refusal to sanction the full sum recommended has left him in a fix. I think the case deserves favourable disposal, and it will be an encouragement to the school authorities if it is disposed of as an urgent case.

NOTE—Contn sheet

Submitted to His Highness

These papers relate to a building grant to the Wesleyan Mission Girls' Boarding Normal School, Bangalore The building has cost Rs 24,000, and a grant of Rs 4,500 was sanctioned in 1909-10 An additional grant of Rs 1,500, so as to make a total of Rs 6,000 or one-fourth of the cost of the building, was recommended by the Inspector General of Education in his list of building and other lumpsum grants recommended for the year 1911-12, but was not sanctioned by the Government

Paper cu-

(2) The Inspector General of Education has, with his letter dated 12th July 1911, forwarded a letter on the subject received from the Rev D A Rees praying for a reconsideration of the decision of the Government The Second Councillor recommends that the additional grant asked for may be sanctioned and provided for in the next year's budget

Paras 2 & 3

(3) I submit the papers for orders The additional grant asked for may be sanctioned, and paid this year by re-appropriation of sanctioned grants,

or, if this is not possible, provision may be made for it in the next year's budget The rule regarding the amount of building and other grants is that "in no case will the Government grant exceed in amount the sum to be expended on a school from private sources" The maximum grant that may be paid in the present case is thus Rs 12,000

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN M

No 458/30 Encl

Bangalore, 12th July 1911

From

J WEIR, Esq, M A,

Inspector General of Education in Mysore

To

C S Balasundaram Iyer, Esq, B A,

Offg Secretary to the Government of H H the Maharaja

of Mysore, General and Revenue Departments, Bangalore

SIR,

With reference to Government Order No 9101-2/Edn 301-10-2 dated 5th May 1911 sanctioning building and other lump sum grants for 1911-12, I have the honour to forward herewith for kind consideration of Government a copy of a letter received from the Rev D A Rees, General Superintendent, Wesleyan Mission, Bangalore, praying for a reconsideration of their decision with regard to his application for an additional building grant-in-aid of the Wesleyan Mission Girls' Boarding and Normal School, Bangalore

I have the honour to be,

Sir,

Your most obedient servant,

Iwer

Inspector General

TNR

WESLEYAN MISSION,

BANGALORE CITY

4th July 1911

From,

Rev D A Rees,

General Superintendent,

Wesleyan Mission,

Bangalore City

To,

The Inspector General of Education,

Bangalore

Sir,

In reply to your letter No 10009/1247 of June 12th, I have the honour to state that I am exceedingly disappointed that the Government has not sanctioned the further sum of Rs 1,500 for the Girls' Boarding and Normal School building The expenditure on the building has exceeded Rs 24,000 and in asking for the sum of Rs 6,000, which is only one fourth of the cost, I felt sure that my request would be acceded to, especially as it was supported strongly by the Inspector General of Education In my efforts to raise by private subscriptions the large amount required, above what Government would grant, I felt certain that I could rely on receiving at least one fourth of the cost, seeing the building was erected in the interests of female education throughout the State, and the refusal to grant it has placed me in serious difficulties

I would again draw your attention to the high character of the work that is being carried on in the school under the superintendency of Miss Cooke This year again, we record a large number of passes in the examinations They are as follows --

7 girls passed the Kanarese Lower Secondary examination

5 girls obtained Sewing Teacher's certificates

4 girls passed the Lower Secondary Teacher's examination in theory

2 girls passed the same examination in practical test

7 girls passed the Primary Teacher's examination in theory

4 girls passed the same examination in practical test

I believe I am correct in saying that no school in the State has produced better results than these

I would also emphasise the fact that provision is made for the accommodation and training of non-Christian girls or widows, one of whom is among those who have this year obtained a Teacher's certificate

I beg that Government will sympathetically reconsider their decision and that you will kindly forward this letter with your support of my application

I have the honour to be,

Sir,

Your most obedient servant,

(Sd) D A Rees
